Jean-Luc Schneider - 'chief apostle' of New Apostolic Church Int'l AND head of Schneider Electric, based in France with satellite offices globally, including U.S. cities, right here, in God's Good Land.

Michael T. Freund has lied from the beginning, then sued a truth-telling member in MD District Court 1/12/22. BIG MISS for him and #theNAC. Lots of material harming. Please fix it, or we will be compelled to name you in the upcoming suits as well - suits in which the entire Baltimore (1910 Putty Hill Avenue, Balto, MD 21234) congregation, who were provided with proof of their lies - will be required to testify - each and every one - and there will be many - IF we have to, we will. #TODDsheltonSTYLE - he's one of YOUR cronies and he knows. FIX IT.
